COOLING SYSTEMS & SPARK PLUGS

SAVE \$2

Prestone OE Ready to Use **OR**
Full Strength Antifreeze

\$18⁹⁹

ALL PEAK OET Ready-to-Use Antifreeze

COOLING SYSTEM MAINTENANCE

- **Check the coolant level monthly** – A small amount of coolant loss over time is normal, but excessive loss means there could be a leak.
- **Test your antifreeze** – Before the summer and winter, use an antifreeze/coolant tester to measure its strength and ability to protect the engine.
- **Flush your cooling system** – Check the owner's manual or maintenance schedule to determine how often to flush and change the coolant. Over time, coolant becomes acidic and loses its ability to protect the engine's cooling system from corrosion and rust, and to lubricate moving parts, like the water pump.

▶ HOW AND WHY TO CHECK BELTS AND HOSES

- Belts and hoses wear out over time due to heat and environment exposure.
- Inspect them periodically, and while flushing the cooling system.
- Look for soft spots or cracking in hoses.
- Examine belts for cracking, fraying, or shiny spots.

4 REASONS TO REPLACE SPARK PLUGS

- Optimizes engine combustion cycle.
- Makes cold starts effortless.
- Maximizes fuel mileage (MPG).
- Reduces harmful emissions.

AFTER MAIL-IN REBATE

SAVE \$24

**WHEN YOU BUY 8 Autolite Iridium
Ultra and Iridium XP
Spark Plugs. Save \$3 per plug.
Must buy 4. Limit of 16 redemptions
per customer.**

AFTER MAIL-IN REBATE

SAVE \$24

**WHEN YOU BUY 8 Motorcraft Iridium
Spark Plugs.
Save \$3 per plug. Must buy 4.
Limit of 16 redemptions
per customer.**

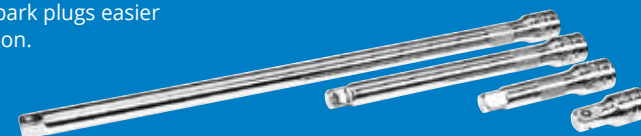

CHANGING SPARK PLUGS?

Check these fluids at the same time, and protect your ride.

- Coolant/antifreeze
- Washer fluid
- Oil, transmission fluid, and brake fluid

▶ GET THE DIEHARD TOOLS TO DIY

- Extensions make reaching spark plugs easier during removal and installation.
- Add a spark plug socket for best results.
- Remember: Always use the Original Equipment plug or better, never downgrade the plug type for proper operation

SAVE \$3

ON DieHard Socket Extension Sets

COMPLETE THE JOB

Noisy brakes? It may be time to inspect your vehicle's brake system to determine the condition of its components. Your local Carquest is here to make sure you have what you need to complete the job. Here are a few items to be sure you have*:

- Replace both brake pads and rotors
- Remember brake cleaner, fluid and lubricant
- Have shop gloves and towels on-hand
- Check that you have the right tools

**This is not an exhaustive list so consider consulting your Carquest store or local shop if you are unsure of the issue.*

CAR CARE CHECKLIST

Regular vehicle maintenance is essential to keep your car safe and running well. Routine checks and service help ensure nothing is wrong or worsening, preventing problems from becoming expensive repairs and saving you money. *

CHECK FREQUENTLY

Window Shades
WINTER
Snow Scraper
Snow Chains

**This is not an exhaustive list so please consult your vehicle's owner's manual for official scheduled maintenance.*

HOT DEALS OF THE MONTH

Offers valid March 27 - April 30, 2025.

**BUY ONE,
GET ONE
FREE**

Chevron Techron
Complete Fuel
System Cleaner
12 OZ

**Improve your gas mileage with
the one-tank clean up solution.**

Use fuel system cleaner each season to break up and clear away carbon deposits, maximize fuel economy and restore engine power.

- Cleans, restores, protects the entire fuel system
- Restores lost power, acceleration, fuel economy, and fuel gauge sensor function
- Reduces rough idle, engine surge, hesitation, and spark plug fouling

\$5⁹⁹

Autocraft
Microfiber Towels,
6-Pack

**Choose microfiber towels for a
professional finish.**

Whether you're washing your exterior, cleaning your windows, or detailing your interior, microfiber towels are extremely absorbent and soft, making them the best choice for any surface.

- Lint-free, streak-free shine
- Lifts dirt without scratching surfaces
- Ideal for cleaning your vehicle or for general use
